

To all parties invited to submit a professional services proposal in response to the Puerto Rico Department of Education's Request for Proposal 2018-ODS0001 (Project Management for Comprehensive Disaster Recovery):

Please be advised that the period for the submittal of questions regarding the RFP has been extended until close of business on Tuesday, February 13, 2018. All questions must be sent by e-mail to the following address: preguntas@de.pr.gov. Responses will be posted at the PRDE's website by Thursday, February 15, 2018.

Because of time constraints related to due dates imposed on the PRDE and the urgency of the requested services, all proposals must be submitted by Tuesday, February 20, 2018 by 4:30 PM as per the instructions in the RFP.

Please be advised that, although this is an informal process for the acquisition of professional services, time is of the essence and any proposal not submitted by the due date will be automatically disqualified from consideration.
