Script for 11th Grade English Questions

(Narrator): These are the English Listening questions for **11th** grade. In this section, you will show how well you understand spoken English. Listen carefully. Then, choose the correct answer.

(Pause 3 seconds.)

(Narrator): Listen to a passage about how to change a flat tire. You will answer questions 1 through 4 based on this passage.

(Pause 3 seconds.)

(Father): Alondra, I know you want to get your driver's license soon. Since it is very important for you to be safe on the road at all times, today I will teach you how to change a tire. I will explain how to do it first, and then you can try it with my help.

(Alondra): OK, Dad. That's a good idea.

(Father): If you are ever driving and get a flat tire, slow down gradually. Do not brake suddenly because you could lose control. Find a safe place to stop. Then set the parking brake.

(Alondra): Then I should turn on the emergency flashers, right?

(Father): Exactly. You will need a spare tire, a jack to lift the vehicle, and a wrench to loosen and tighten the lug nuts on the tire. First, remove the hubcap from the flat tire and then loosen the lug nuts a little bit. Place the jack under the frame of the car near the flat tire. Lift up the car until the flat tire is off the ground about six inches. Next, remove the lug nuts and the flat tire. Put the spare tire on, being careful to line it up with the bolts. Use your hand to screw on the lug nuts and tighten them. Lower the jack until the tire just touches the ground. Next, you should tighten the lug nuts with the wrench as tight as you can. Finally, lower the jack all the way and tighten the lug nuts a little more. Put on the hubcap and you are done!

(Alondra): Now I'll give it a try!

(Pause 3 seconds.)
